Values on Lemon Street.

John D. Ringham has purchased of Harry A. Gray and R. C. Howell, 50 feet on Lemon St. at the corner of Peck street, and extending north on the latter street 140 feet, for \$6,200. The part belonging to Mr. Gray is the Lemon street property consisting of the one story building occupied by J. D. Ringham's bar and Moses Saucier's fruit stand. This 50 feet sold for \$4,700. Mr. Howell's part consisted of the lot in rear on Peck street containing a two-story frame building. The purchase was made this week.

Mr. Ringham has also purchased from Mrs. N. G. Robinson the property in the same block known as the Kansas House.

Birthday Party.

On last Tuesday evening a very pleasant surprise party was tendered Master George L. Jackson at the home of his parents, Mr. and Mrs. E. C. Jackson, the same being in celebration of his 16th birthday anniversary. The young people in the immediate neighborhood planned the affair and the evening was one of rare pleasure to all those privileged to be present. Misses Oona Bond and Nellie Jackson served the refreshments in a most charming manner. Master George was the recipient of many valuable and useful gifts. After a late hour the young people dispersed wishing their young friend many happy returns of the day.

Big Space—Big Stock.

The News has given up to the L. M. Meyer Co. this week a little more of its advertising space than it usually cares to sell to one firm. But the Meyer Company has such a large and finely selected stock of clothing, hats and gents furnishing goods that it thought to emphasize the fact by a specially large announcement. The stock is now all in and on the shelves and counters of the store, and Manager Crook is sure he can please the great variety of ideas among purchasers. The fall and winter weaves in mens and boys clothing are especially attractive this year and the Meyer Company is showing them in suits built to fit all sizes of men in a manner that compares favorably with the best custom work. The stocks of hats and mens' furnishings are also very attractive.

SOME REASONABLE ADVICE.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by Ackerman-Stewart Drug Co.

PALATKA WATER BONDS SOLD.

Municipal Water System Now Assured.

Council Passes Ordinance Authorizing Work to Begin.

The Palatka Board of Bond Trustees has sold the \$30,000 of bonds authorized by the tax-paying citizens for a municipal water system.

The city engineer has the plans already prepared.

The council at its meeting last Tuesday night passed an ordinance authorizing the Board of Bond Trustees to go ahead with the work, and—

On Wednesday morning Mayor Usina approved the ordinance. Now here is a wet proposition on which all Palatka can unite. Liquor advocates will tolerate, nay welcome, a real pure article of water for use as a chaser. The prohibs, while in some instances not so particular as to quality are nevertheless great sticklers for quantity. The bond trustees can be relied upon to furnish both quality and quantity, so all unite in giving them hearty support in the task that is before them of constructing an up-to-date municipal water system.

The following is the letter of the bond trustees to the council:

OFFICE OF THE BOND TRUSTEES, CITY OF PALATKA, Palatka, Florida, Oct. 3d, 1905. To the City Council.

Gentlemen:—The bond trustees wish to inform you that they have sold the water bonds and that the funds are in the hands of the city treasurer, and ask you to pass the proper ordinance that we may proceed with the construction of a system of water works for the city of Palatka.

Yours truly, E. S. CRILL, Chairman, Bd. of Bond Trustees.

The letter was received in the regular manner, after which City Attorney Hilburn, who was present, presented an ordinance for adoption, which the council after waiving the rules put through all its readings and passed.

The ordinance is published in another column of this paper.

The city engineer has already prepared the plans for a municipal water system so that there will be little delay after the advertising for, and acceptance of, a bid.

Palatkans have long been paying high rates for water. Under a municipal ownership system all will be profit sharers and the rates to takers will be greatly reduced. Then, too, the water will be better.

If you want to get your money's worth and see a good COLD knock-out, use Peck's Pine Tar Syrup.

Have Gone to Camp.

The Gen. City Guards under the command of Capt. R. R. Price left yesterday noon for Orlando, where the company will go into camp for ten days with the 2d Regiment Florida state troops. The company drilled at the Armory on Wednesday night at which time the competitive contest for the handsome gold medal took place. Ex-Captain E. Noble Calhoun officiated as judge of the contest and awarded the prize to Corporal Clarence Petermann for excellence in the manual-of-arms. There was quite a number of spectators present, mostly young society people, and the evening was concluded with dancing in which all participated with the usual degree of pleasure.

A number of important meetings and conventions will be held at Tampa during the coming State Fair, but none more important than conventions of poultry breeders, and citrus fruit growers of the state. President Brown of the fair association has issued a call to the poultry breeders to meet at the Tampa Board of Trade rooms on the morning of Tuesday, Nov. 22, and the citrus fruit growers are expected to meet at the same place on the following day. These meetings are for the purpose of organizing a Florida Poultry Breeder's Association and the Florida Citrus Fruit Grower's Association, and the object of both organizations will be identical—that of improving conditions in regard to production by an interchange of ideas at annual meetings and otherwise, and in co-operating at all times in a manner that will insure good prices in the markets, also in handling the freight rate question. All persons interested should write at once to T. J. L. Brown, president State Fair Association, Tampa. These two organizations are badly needed in the state at present.

Clay county is still in the "wet" column.

M. A. Brown, private secretary of Gov. Broward, has been appointed Sheriff of Duval county to fill vacancy caused by death of Sheriff Pickett.

Resolutions on Death of Mrs. Eltie E. Gates.

At a meeting of the St. James M. E. Sunday school on October 1st, 1905, the following resolutions were passed:

Whereas, it has been the divine will of the All Wise and Everlasting God, our Heavenly Father, in His infinite wisdom and power to send upon the wings of heaven, the death angel to bear away our much beloved and esteemed Sunday school teacher, whose life from early childhood has been consecrated to her blessed Saviour; whose influence and beautiful Christian virtues will not fade away and die, but, through the touch of the Divine Spirit, live on forever. And now that she has gone from our midst and passed beyond the mystic clouds, entering through the portals to the "shining shore," may her spirit in close communion with the all spiritual power, hover 'round and still be a guiding star leading us to mansions above, an eternal home among the angels, a home where joy flowers forever and golden harps ring Resolved, that in the death of Mrs. Gates our Sunday school has lost one of its brightest jewels; one who will be missed by us all and especially the dear little lambs of her class who had learned to love her so well. Resolved, in her death, that by her beautiful Christlike example, while in life, we may catch the inspiration to greater activity for our Lord and Master in the Sunday school.

Resolved, that our sincere and heartfelt sympathy go out to the sorrowing family and much bereaved husband and in his great loss, which is her eternal gain, may he be inspired to even greater things.

Resolved, that a copy of these resolutions be sent to the city papers, to her relatives and to her husband.

GEO. W. BASSETT, Mrs. B. J. Grooms, Miss Estelle McKenzie.

At a memorial meeting of the Ladies' Aid Society of St. James M. E. church, held Tuesday, Oct. 3d, the following resolutions were adopted: Whereas, Our Heavenly Father, having seen fit to remove from our midst and take unto Himself, our beloved sister and fellow worker, Eltie E. Gates.

Resolved, that we the members of the Ladies' Aid Society of the St. James M. E. church have, in her departure, suffered a severe loss, as she was one who was ever loyal and faithful and always ready to respond to the call of duty, devoting her whole life to the Master's cause.

Resolved, that we extend to the bereaved husband our heartfelt sympathy in this time of his great sorrow.

And Resolved, that these resolutions be spread upon the minutes, and one copy of them be sent to the husband of the departed, and one to each of the city newspapers.

Mrs. M. S. Brown, Mrs. A. G. Phillips, Mrs. I. R. Stiles, Committee.
